

Members of the Australian Uranium Association support local indigenous communities and wish to help build the skills and capabilities of indigenous people in the regions where they do business. As part of their commitment, the Australian Uranium Association is delighted to offer **three** scholarships to undergraduate students commencing studies in 2012 in the disciplines of Science, Engineering or Business Management.

The scholarships are tenable for the duration of the undergraduate course for which they are awarded.

## Value

The value of each scholarship is \$10,000 per annum, for each year of undergraduate study. The scholarship funds are to be used, at the student's discretion, to contribute to course costs, as a living allowance or for field trips or the purchase of books or to meet other expenses associated with study. Scholarship holders will receive an amount equal to 1/26<sup>th</sup> of the total amount to be paid fortnightly.

## Eligibility Requirements

To be eligible for consideration for a scholarship an applicant must –

- a. be a citizen or permanent resident of Australia;
- b. be an Aboriginal or Torres Strait Islander;
- c. have one referee report; and
- d. be enrolled or intending to enrol full-time in an undergraduate course leading to a degree in Science, Engineering or Business Management.

## Selection Criteria

The scholarship is awarded to an applicant who, in the opinion of the selection committee, demonstrates through their application, supporting documentation and interview:

- a. Academic achievement;
- b. Enthusiasm and willingness;
- c. Drive to achieve; and
- d. Potential to be a leader in the wider indigenous community and business.

Members of the Australian Uranium Association's "Indigenous Dialogue Group" will interview shortlisted candidates, focusing on their achievements and aspirations.

## Student Opportunity

Scholarship holders may be offered paid industry vacation employment during the course of their scholarship.
